Reason for Vote

I vote "nay" on Senate Bill No. 10 for the reason that it seeks to do by

law, and enforce by rules, that which should be left to professional ethics, and tends toward monopoly, and further its provisions place limitations on the constitutional right of freedom of speech and the press. Such law is wholly unnecessary for the protection of the public; is a matter that should be controlled by ethics and not law.

JONES of Atascosa.

Mr. Dunlap of Kleberg moved to reconsider the vote by which Senate Bill No. 10 was passed, and to table the motion to reconsider.

The motion to table prevailed.

Resolved, That the House of Representatives in Regular Session of the Forty-fourth Legislature, do hereby tender them a small gift, not as a measure of our friendship and esteem for this bride and groom, but as a token of the same; and be it further

Resolved, That this bride and groom be brought to the Speaker's chair and address the House on their opinion of married life, and that the Hon. Traylor Russell and his bride, the former Miss Arlene Wilson of Austin, Texas, take with them the blessings of the House that they live happy ever after.

LATHAM.**

Mrs. Russell addressed the House expressing appreciation for the gift.

**TO SUSPEND CERTAIN JOINT
RULES**

Mr. Knetsch offered the following resolution:

H. C. R. No. 97, To suspend certain Joint Rules for the purpose of considering certain bill.

Whereas, On the seventeenth day of April, 1935, the Governor of the State of Texas, in a formal message, called the attention of the Legislature to the fact that there were certain corrective bills pending in the House and Senate which would bring in additional revenue of some seventeen millions of dollars annually without the necessity of levying additional taxes by the stoppage of various loopholes and leaks in our present tax laws, which were discriminating unfairly against the law-abiding citizens of the State of Texas and that these bills, if passed, would force the tax dodgers and those guilty of technical evasions to pay their just share of taxes already levied; and

Whereas, On the same day a resolution by Mr. Jones of Atascosa and Mr. Petsch was passed for the purpose of suspending Joint Rules 23, 24, and 32, permitting the passage of these measures in the House and Senate; and

Whereas, Since the passage of these Acts the License Division of the State Highway Department has called attention to the fact that thousands of automobile owners are now evading and escaping the payment of the automobile licenses; that these persons are exchanging license plates, counterfeiting license plates, and, by various other subterfuges, resulting in the loss of many thousands of dollars to the State of Texas; that the Department has prepared a substitute bill to House Bill No. 585, by Knetsch, which substitute is acceptable to the author of the bill, for the purpose of correcting these abuses, which, if enacted into a law, will result in the saving of the State many thousands of dollars in additional revenue without the necessity of levying additional taxes; now, therefore be it

Resolved by the House of Representatives, the Senate concurring, that Joint Rules 23, 24 and 32 be, and the same are hereby, suspended, for the purpose of allowing the House to consider House Bill No. 585 until finally disposed of.

**KNETSCH,
HOSKINS,
HARTZOG.**

The resolution was read second time, and was adopted by the following vote:

RELATIVE TO ESTABLISHMENT
OF CERTAIN CCC CAMPS

Mr. Reed of Bowie offered the following resolution:

H. C. R. No. 98, Requesting establishment of CCC Camps along Sulphur River.

Whereas, Sulphur River runs through the northeastern portion of the State of Texas, bordering nine (9) counties composed of a large population; and

Whereas, It is a sluggish stream, having but a few hundred feet fall from the source of its pollution to its mouth, and has innumerable drifts which seriously obstruct its flow; and

Whereas, In the most part the timber along this stream is dense and luxuriant, casting dense shadows over its water, encouraging breeding of mosquitoes and other pestilence; and

Whereas, The waters of this stream are rendered unusable and hurtful for man or beast and the atmosphere for miles along its course is rendered obnoxious and unhealthful to the inhabitants of the adjacent territory; and

Whereas, The pollution of this stream is damaging materially to property adjacent thereto, and is highly unhealthful to a large population of East Texas; therefore, be it

Resolved by the House of Representatives, the Senate concurring, That the chairman of the Civilian Conservation Corps is hereby urgently requested to place upon and along the Sulphur River CCC Camps for the purpose of removing the drifts and obstructions to the flow of water, that timber skirting upon and shading the bed of the stream be cut and removed so that the unhampered rays of the sun will not be hindered from playing upon the waters of this stream; and be it further

Resolved, That copies of this resolution be forwarded to our Representatives in the National Congress, and that a copy be furnished Hon. E. O. Siecke, professor of soil erosion of A. & M. College, Bryan, Texas.

The resolution was read second time, and was adopted.

SENATE BILL NO. 467 ON SECOND
READING

On motion of Mr. Wood of Montague, the regular order of business was suspended to take up and have placed on its second reading and passage to third reading.

S. B. No. 467, A bill to be entitled "An Act providing for the establishment of a tuberculosis sanatorium for negroes to be known as the State Tuberculosis Sanatorium for Negroes; providing for its location; the acquisition by the State of land therefor, and the approval of the title to the land; authorizing the State to accept donations for said purpose; prescribing the kind, character, and capacity of buildings to be erected thereon; prescribing the rules and regulations governing the conduct and operation of said sanatorium, and governing the admission of patients thereto and their classification and care, and declaring an emergency."

The Speaker laid the bill before the House, and it was read second time.

Mr. McKee offered the following committee amendments to the bill:

Amend Senate Bill No. 467 by striking out all below the enacting clause and inserting in lieu thereof the following:

"Section 1. There is hereby created and established, and there shall be maintained by the State of Texas, a tuberculosis sanatorium for Negroes

to be known as the State Tuberculosis Sanatorium for Negroes.

"Sec. 2. Said sanatorium shall be located at a place in the State of Texas selected by locating and building board, composed of the State Health Officer, the Chairman of the State Board of Control, and the Superintendent of the State Tuberculosis Sanatorium, which place shall be selected as soon as practical after this Act goes into effect.

"Sec. 3. For the purpose of providing a suitable location for said sanatorium, said locating and building board shall purchase, if a suitable site is not donated, a tract of land not to exceed one thousand acres, and shall accept title thereto in the name of and for the use and benefit of the State of Texas. The title to said tract of land shall, before the same is accepted and paid for, be approved by the Attorney General of the State of Texas. Said locating and building board shall also be authorized to accept in behalf of the State for said purpose a suitable tract of land donated or given to the State as a site for said sanatorium, and, in case a suitable site is donated, none shall be purchased. Provided, however, that if only a part of a suitable site be donated, the board shall be authorized to purchase the remainder not to exceed the maximum above set out.

"Sec. 4. Said locating and building board shall have constructed upon said site suitable, substantial, permanent and fireproof buildings and equipment sufficient to accommodate the maximum number of patients. Said buildings and equipment shall be provided with modern improvements for furnishing good water, heat, ventilation, sewerage, and other necessities.

"Sec. 5. Immediately after this Act goes into effect, and as soon as a suitable site is acquired, said locating and building board shall have plans and specifications for said buildings and equipment prepared by the Chief of Division of Designs, Construction and Maintenance of the State Board of Control, and said locating and building board is authorized to do all things necessary to construct and establish said sanatorium. The architect whose plans and specifications are accepted shall be the supervising architect and shall act at all times under the supervision and control of said locating and building board. Said

architect shall execute a bond, payable to the State of Texas, at Austin, Texas, in a sum to be fixed by the board, and approved by the board, with good and sufficient sureties, conditioned that said architect shall be liable and bound to pay to the State of Texas all damages it may sustain by reason of defective plans and specifications or any wilful failure of negligent performance of duty on the part of said architect. The compensation of said architect shall not exceed three per cent. Provided, that the State shall not be limited to one recovery upon said architect's bond, if not exhausted, but shall be authorized to bring as many actions as necessary until such bond be exhausted.

"Sec. 6. The State Board of Control shall have authority and it shall be its duty to appoint officers for said sanatorium, including its superintendent and medical director, and such other servants, employes and assistants as shall be necessary, and as shall be provided for by appropriations by the Legislature.

"Sec. 7. There is hereby appropriated out of any funds in the Treasury of the State of Texas, not otherwise appropriated, two hundred thousand dollars (\$200,000) to purchase the site and construct and equip the sanatorium provided for in this Act, out of which may also be paid the necessary traveling and other expenses of the board in locating and constructing said sanatorium.

"Sec. 8. Upon the completion and acceptance of said site by the board created for such purpose, the same shall be operated, managed and controlled in the same manner as other eleemosynary institutions.

"Sec. 9. The superintendent of said sanatorium shall determine upon application the persons entitled to admission therein, as now provided by law for the admission of persons to the State Tuberculosis Sanatorium.

"Sec. 10. Provision shall be made by the Legislature for the operation and maintenance of said sanatorium by appropriation.

"Sec. 11. Negroes afflicted with tuberculosis who shall have been citizens of this State and of the county from which he or she comes, at the time of filing application with the county judge, as hereinafter provided, shall be admitted to said sanatorium under this Act, and no other persons shall be admitted.

"Sec. 12. A citizen of this State, under the provisions of this Act, is defined to be any person who has actually resided therein with the bona fide intention of being a citizen thereof for a period of twelve months next preceding the date of the application for admission to said sanatorium.

"Sec. 13. Patients admitted to said sanatorium shall be of three classes, to wit:

"1. Indigent public patients.

"2. Non-indigent public patients.

"3. Private patients.

"Indigent public patients are those who possess no property of any kind nor have any one legally responsible for their support, and who are unable to reimburse the State. This class shall be supported entirely at the expense of the State.

"Non-indigent public patients are those who possess some property out of which the State may be reimbursed, or who have someone legally liable for their support. This class shall be kept and maintained at the expense of the State, as in the first instance, but in such case the State shall have the right to be reimbursed for the support of such patients, and the claim of the State shall constitute a valid lien against any property of any such patient, or, in case he has a guardian, against any property of his which is in the possession of said guardian, or against the person or persons who may be legally liable for his support, and financially able to contribute as herein provided; and such claim may be collected by suit or other proceedings in the name of the State of Texas by the county attorney of the county from which said patient is sent, against such patient, his guardian, or the person or persons liable for his support; and the venue of any such suit is hereby fixed to be in the county from which such patient was sent. Such suit or proceedings shall be instituted upon the request, in writing, of the superintendent of said sanatorium, accompanied by a certificate as to the amount due the State, which in no case shall exceed five dollars per week for the board of such patient, and together with the necessary cost incident to his transportation to said sanatorium. In all suits or proceedings, the certificate of the superintendent, shall be sufficient evidence of the amount due the State for the support of such patient. It shall be the duty of the county attorney, upon such request being

made, to institute and conduct such proceedings, and for which he shall be entitled to a commission of ten (10) per cent of the amount collected. All moneys so collected, less the commission above provided for, shall be by the county attorney paid to the superintendent of said sanatorium, who shall receive and receipt for the same, and shall use the same for the maintenance and improvement of said property.

"Private patients may be admitted into said sanatorium upon application of parent or guardian or friend, under such regulations as the superintendent under the direction of the State Health Officer may prescribe, not in conflict with this Act. Such patients shall be kept and maintained at the sanatorium at their own expense for the board and care of such patients. The superintendent under the direction of the State Health Officer may take special contracts for private patients at a rate not to exceed ten dollars per week, payable in advance. All moneys collected shall be paid to the superintendent of such institution, who shall account for the same and for its use in the maintenance and improvement of said sanatorium at which the same is received.

"Sec. 14. Except as herein otherwise specified, the rules and regulations governing the admission of patients to said sanatorium shall be the same as those governing the admission of patients to the State Tuberculosis Sanatorium; provided, however, that no white person shall ever be admitted to the sanatorium created hereby, and no negro person shall ever be admitted to the State Tuberculosis Sanatorium.

"Sec. 15. No patient in this sanatorium shall be discriminated against by virtue of the fact that he is an indigent, non-indigent, or private patient, but all patients shall be treated alike, given equal facilities, equal attention and equal treatment, and no patient shall be permitted to give to any officer, servant, agent, or employe of the sanatorium any tip, pay or reward of any character or kind whatever, and if such patient does so, and it is discovered, it shall be a cause for his expulsion from said sanatorium and the discharge of any officer, servant, agent or employe accepting the same; and the Board of Control shall see that this provision is rigidly and drastically enforced.

"Sec. 16. The superintendent of the sanatorium hereby created shall keep on file an alphabetical index of all applications of all patients, and patients shall be admitted according to their file number, reserving at all times not less than one-half the accommodations afforded at the sanatorium for indigent patients, one-fourth of the accommodations for non-indigent patients, and one-fourth for private or pay patients; subject, however, to the control and discretion of the superintendent. And the superintendent shall file with the State Health Officer such copies of such applications as shall be necessary to meet all provisions of this Act.

"Sec. 17. It shall be the duty of the county judge to see that each patient admitted to the sanatorium is supplied with three full suits of underwear, two shirts, and one neat top suit, all being such as may be prescribed by the State Health Officer; and the expenses of the clothing and transportation of indigent public patients shall be paid by the county from which the patient is sent. And if any patient is admitted directly upon the certificate of the State Health Officer as an indigent patient as provided hereinbefore, then the State Health Officer shall supply such patient with such clothing, and his certificate therefor shall be full evidence that the same was so supplied and of the value thereof, and the county from which the said patient came shall be chargeable with said clothes, and shall pay the same upon presentation of said certificate. Non-indigent public patients shall pay for their clothing and transportation themselves.

"Sec. 18. Rules and regulations for the operation, government, control and management of said sanatorium, its officers, employes, and patients shall be approved and promulgated by the State Board of Control, and as set forth in this Act.

"Sec. 19. The purpose of this bill being to bring about the best results for those unfortunate people who are afflicted with this disease, and for the general welfare of the State, it is hereby expressed that it is the desire of this Legislature that the physicians, superintendents and others connected with this sanatorium whose appointments are herein provided for, they, and each of them, shall be permitted to hold their respective offices

and employment during the term of their good behavior, and that they be removed only for cause, which cause shall be determined by the Board of Control; and that such persons shall be under, as nearly as possible, the rule of civil service, to the end that they may be taken entirely out of politics.

"Sec. 20. The term 'Negro' is used in this Act as defined in Article 484, Penal Code of the State of Texas of 1911.

"Sec. 21. The fact that tuberculosis—a communicable and infectious disease—is prevalent among Negroes of this State, constituting a menace to their welfare and that of all the people of the State, creates an emergency and an imperative public necessity demanding the suspension of the constitutional rule, requiring bills to be read on three several days in each house, and said rule is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted."

Amend Senate Bill No. 467 by striking out all above the enacting clause and inserting in lieu thereof the following:

"An Act providing for the establishment of a tuberculosis sanatorium for negroes to be known as the State Tuberculosis Sanatorium for Negroes; providing for its location, the acquisition by the State of a tract of land therefor not exceeding one thousand acres; the approval of title thereto; and authorizing the State to accept donations for said purpose; prescribing the kind, character and capacity of buildings to be erected thereon; the method of preparing plans and specifications; and requiring the architect to give bond to the State for the performance of his duties and fixing his compensation; providing for the State Board of Control to have charge and supervision of said buildings and the appointment of officers and employees thereof; appropriating the sum of two hundred thousand dollars (\$200,000) for the purpose of purchasing a site and the erection of improvements and equipment; providing for the manner and method of operation and making appropriations for the operation and maintenance of same; classifying patients and specifying the manner, method and conditions of admission thereto; the treatment of pa-

tients and the method of reimbursement for expenses and the recovery of money due it for treatment of patients; providing for the admission of private patients and their treatment; of indigent patients and their treatment; and providing that all patients shall receive equal treatment; providing for the keeping of records and indexes of patients treated; specifying clothing and equipment of patients entering; providing for the promulgation of rules and regulations for the operation of said sanatorium; the term of office of superintendent and other officers; defining the word 'Negro' and providing that no white person shall be admitted as a patient in the State Tuberculosis Sanatorium for Negroes and that no Negro person shall be admitted to the State Tuberculosis Sanatorium; and declaring an emergency."

The amendments were severally adopted.

By unanimous consent of the House, the caption of the bill was ordered amended to conform to all changes and to the body of the bill.
